

**APPENDIX 1 OF PART D
CHECKLIST
(REFERRED TO IN PARAGRAPH 1.1 OF PART D)**

(Note: Landlord must complete and provide the Checklist to tenant together with the first draft of the lease agreement in respect of retail premises. Where there are any deviations in any of the Leasing Principles, landlord must indicate the same by checking the box under “Deviation” column and may include remarks under the “Remarks” section. Please ensure that one box is checked for every item in this Checklist.

The Code of Conduct allows for certain deviations in the Leasing Principles if such deviations are mutually agreed and in which case a declaration of permitted deviation must be submitted by landlord to FTIC in accordance with the Act. These are indicated with an asterisk ().*

If landlord and tenant mutually agree to the deviation, kindly initial in the two boxes below the check box. Please do not initial in the box if you do not agree to the deviation.

If a Leasing Principle is not applicable to the lease agreement, parties must indicate this by checking the box indicating that it is “Not Applicable”, e.g. if landlord does not require integration of tenant’s POS system with landlord’s POS system, the box under the “Not Applicable” section for S/N 2.2 is to be checked.)
